

# MINI FEMALE USB CONNECTOR SMT

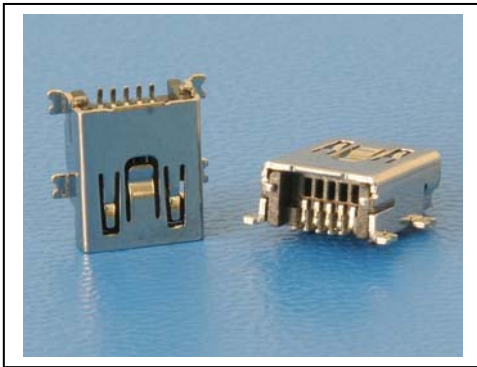

## 5622 SERIES. For PCB Solder. For Surface Mounting.

### Features

- Available in 5 circuits
- Insulator Material: Thermoplastic resistant to high temperatures
- With fixing pegs to PCB and conductor line
- Packing available: Tube (standard version ) or reel
- Specifically for USB 2.0

### Dimensional Information

### Ordering and Dimensional Information

Part Number	Connector Type
5622 - 16051E	Type A
5622 - 16052E	Type B
5622 - 16053E	Type A / B

### E = Packing Options

- E = 1. Tube
- E = 2. Tape And Reel
