

# RIGHT ANGLE FEMALE MINI DIN CONNECTOR

## 7009 SERIES. Female right angle for PCB

### Features

- Available in 6 circuits
- With interior metallic shell to secure the continuity of the shielded cables
- Insulator Material: Thermoplastic; UL 94V-0

### Materials and Platings

- Standard Colour: Green (outside) and purple (inside)
- Contact Material: Phosphor Bronze; Gold plated

### Electrical Specifications

- Max. Voltage 100V AC 1 A max. (12V DC 2 A max.)
- Contact Resistance: max. 30 mΩ
- Insulation Resistance: 1 Amp. AC / DC
- Electrical Strength: 500 V AC per 1 minute

### Ordering and Dimensional Information

**7009 - 3061**
