

# FCC-68 TELEPHONIC CABLE ASSAMBLY

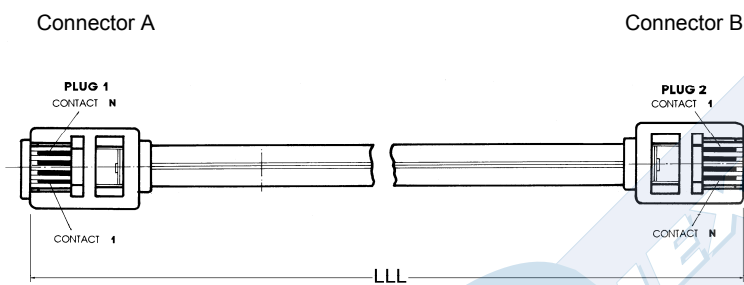

## General Features

- CONNECTORS: **6844**, **6866** and **6888** series
- DIMENSIONS: According to the client specifications
- CABLE: **9102** (Flat oval cable)
- Consult options with the Sales Office

## 953 SERIES

- A Connector: **6844**, **6866** and **6888** Series
- Configuration: 1 to N, 2 to N-1 ..... N to 1
- B Connector: **6844**, **6866** and **6888** Series
- Position: Plugs 1 and 2 in the same position
- CABLE: **9102** Series

### Ordering Information:

**953** -      **LLL** -      **NN**  
 1                      2                      3

#### 1. Family

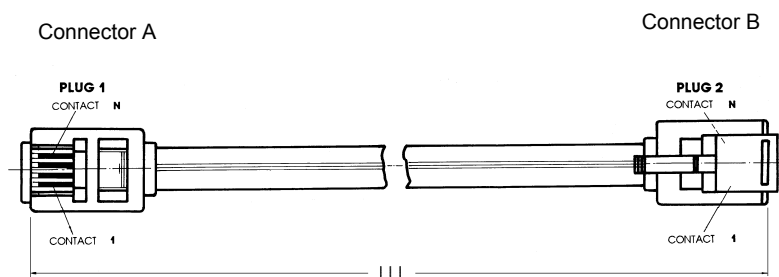

2. (LLL) Length in Cm.

3. (NN) Number of circuits

- NN = **44**. Plug 6844 (4 circuits)
- NN = **64**. Plug 6866 (4 circuits)
- NN = **66**. Plug 6866 (6 circuits)
- NN = **88**. Plug 6888 (8 circuits)

## 955 SERIES

- A Connector: **6844**, **6866** and **6888** Series
- Configuration: 1 to 1, 2 to 2 ..... N to N
- B Connector: **6844**, **6866** and **6888** Series
- Position: Connector A to UP connector B to down
- CABLE: **9102** Series

### Ordering Information:

**955** -      **LLL** -      **NN**  
 1                      2                      3

#### 1. Family

2. (LLL) Length in Cm.

3. (NN) Number of circuits

- NN = **44**. Plug 6844 (4 circuits)
- NN = **64**. Plug 6866 (4 circuits)
- NN = **66**. Plug 6866 (6 circuits)
- NN = **88**. Plug 6888 (8 circuits)
